WE ARE WRITING THE NEXT CHAPTER

The 2026 CKA Envision Gala & Summit is the national gathering where Korean American leaders come to celebrate how far we've come — and be inspired to build what comes next.

This year's theme, "**Our Evolving Community**", highlights our incredible arc from immigration stories to building industries. We are **celebrating in Los Angeles**, the home of the largest Korean community outside of the motherland, and a showcase for Korean American evolution.

The Korean American story is still unfolding, and **2026 is a momentous chapter. This year's gathering marks 15 years of CKA, 20 years of NetKAL, and America's own 250th anniversary.**
